

THE MISSION

Have you been to the Opera House this week? The Mission is swinging out into remarkable power already. Do you know, the greatest movement this community has ever had is being launched this week at the Opera House. When compared with it, every other interest and all other interests combined take a secondary place. All you lovers of our fair community and those who have been singing its praise for years, if you are in earnest and have been honest in your expressions of praise, now is your time to aid a movement that, under God,

knocks at the door of every home and every heart in our neighborhood and offers great benefactions to all. Get into the game, my brother—it can easily win without you, but you dangerously need it, your town needs it, and we all need it, and by the grace of God we will have it and have it community-wide.

That great Thanksgiving service Thursday evening will be mighty—bring all the family. Think of next Tuesday, all day! A whole day to evangelism! Evangelist Sales from Chicago will speak in the morning at 10:30 and will be

W. S. COLEGROVE, Supt.

followed by a strong Y. M. C. A. man. In the afternoon Rev. Mr. Haas, a mighty man in the scriptures, will speak, followed by Mr. Sheldon of Kalamazoo. Mr. Sales will speak in the evening. A great effort is being made to get every minister in the county to be here for that day and night. Get ready for big things.

Every day at 3:00 p. m. Mr. Haas expounds the scriptures. The superior of this man as an expounder and teacher can not be found in this country. He knows his bible. Every person should hear his expositions. At 4 o'clock he meets the boys and girls. If you are looking for some real inspira-

tion drop into this 4 o'clock meeting.

Every evening at 7:30 the music starts. Mrs. Boyd is at the piano and Miss Buskirk thrills you with the violin. There are solos and chorus singing. A new song book is offered every one. Then comes on Colegrove. That man's life speaks for itself. He has won, is winning and will win. Ever hear him? Well, he is no rose-water man, but when you have had a few of his straights and under-cuts you make up your mind that he is all man in the hands of God.

The room is kept warm all day, and all meetings are in the Opera House.
